

E4libraries EDI mentors

E4libraries EDI mentors are experienced librarians who have already implemented EDI in their library management systems who have agreed to offer advice and assistance to other libraries in the throes of implementation. They will either help you directly or recommend the right person for you to talk to. Please remember that these mentors are busy librarians and there may be some delay in answering an email query. BIC would like to thank them for agreeing to participate in this scheme.

LMS	EDI Mentor	Library Service	Email
Axiell	Carol Gold	Somerset Libraries	CGold2@somerset.gov.uk
Infor	Andrew Coburn	Essex Libraries	Andrew.Coburn@essex.gov.uk
SirsiDynix	Catherine Cooke	Westminster Libraries	ccooke@westminster.gov.uk
Talis	Jo Grocott	Staffordshire Libraries	jo.grocott@staffordshire.gov.uk

If your LMS is not represented in the list above and you need help, please contact BIC and we will try to find you a suitable expert to answer your questions.

If you are an LMS supplier who would like to suggest an EDI mentor who has experience of your system, please contact BIC.
