

<b>BIC BASIC REQUIRED INFORMATION</b>		
<b>Information type</b>	<b>BIC Basic Element (Mandatory elements in red)</b>	<b>Dependencies/other notes</b>
Product identifier	<b>ISBN or EAN-13</b>	All products must carry an EAN-13/GTIN-13 (normally for books and other eligible products, an ISBN should be used)
Authorship	Primary author Primary editor Primary illustrator Translator Reader (of audio book)	At least one name is required if the product has personal or corporate authors, editors etc. Second and subsequent names in the same role (e.g. second author, second editor) are not part of the minimum set
Title information	<b>Title</b> Subtitle Set Title Volume Number Volume Title	Subtitle is required if the product has one If product is a volume in a multi-volume set or collection, Title should consist of 'Set Title: Volume Number (if applicable): Volume Title'
Series information	Series title Number within series Year (of annual)	Required if the product is part of a series
Edition information	Edition number Edition statement	Edition number and/or edition statement (e.g. 'Revised edn') are required if the product is not a first or standard edition; or in the case of an update to a digital publication
Product form	<b>Whole product form (book, audio, digital publication, map, mixed media pack, other)</b> Product form detail Product additional description Multiple items description	The product form detail depends on the whole product form (e.g. hardback, paperback, other binding types should be provided for physical books; specific file format for digital products; CD/cassette/file format for audio products; folded/rolled etc for maps; details appropriate for all other items) Used for additional description of the product, e.g. scale of map Either the product form of items contained in a mixed media pack (e.g. hardback and CD-ROM); or the number of items of the same form in a multi-item product (e.g. two-volume hardback set)
Product properties	Number of pages Height of the product Width of the product Running time for audio products or CD/DVD Main language(s) of text	Required for books if available Height in millimetres: required for books only if available Width in millimetres: required for books only if available Running time in minutes/seconds: required if available Required if not English
Audience	Audience or readership information	Specify information about target audience or expected readership (e.g. general adult, children, professional, academic), including age range and/or educational level if applicable
Subject classification	<b>Main BIC Subject Category</b> Supplementary BIC Subject Categories BIC Subject Qualifiers Children's Books Marketing Code	Provide most pertinent and precise BIC code as Main BIC Subject Category. Add other applicable category and qualifier codes, if possible. Provide CBMC code for children's products, if appropriate

Publisher information	<b>Imprint name</b>	Note that the mandatory element is the imprint, i.e. as printed on the book, or the brand under which a product is sold.
	Publisher name	The publisher name is only required if it is different from the imprint (e.g. Black Swan is an imprint of Transworld)
Publication date	<b>Date</b>	This should be either the UK publication date or availability date in the UK market for imported titles
Work identifier	International Standard Text Code	Provide ISTC(s) if available for the textual work(s) included in the product
Successor product ID (e.g. new edition)	ISBN or EAN-13	At least one of these ID numbers is required if the product has been replaced by a successor
Predecessor product ID	ISBN or EAN-13	At least one of these ID numbers is required if the product replaces a previously available version
Alternative format product ID	ISBN or EAN-13	At least one of these ID numbers is required if the product is also available in an alternative format (e.g. digital version of printed book)
Jacket/cover image	<b>Jacket/cover image</b>	This should be supplied either as an image file or in the form of an accurate URL, actionable by the receiver of the ONIX feed, linking directly to the image under the control of the publisher (e.g. on the publisher's website, but not a generic link to the publisher's home page).
<b>TRANSACTIONAL DATA AND RIGHTS ELEMENTS</b>		
Supplier	<b>At least one supplier name or EAN location number must be included</b>	
	EAN location number	The source(s) from which the UK retail trade may obtain the product. Note that this should not be used to describe availability to consumers
	Supplier/suppliers' names	
	Non-trade supplier/suppliers' names	Required for products not distributed through the retail trade
	Supply channel type (specify if not retail trade)	Supply channel type should indicate publisher direct supply or intermediary direct supply to end-customers (consumers or libraries)
Availability	<b>Availability status</b>	Availability from the supplier(s) identified above, (e.g. NYP, Available/In Stock)
	Availability date	Required if product is not immediately available (e.g. NYP due [date], Reprinting due [date])
Price	<b>GBP retail price including VAT</b>	Current or provisional recommended retail price in GBP (Sterling) including VAT (N.B. books are zero-rated, so include VAT at 0%)
	Free of Charge/Not Sold Separately indicator	If applicable, indication that item is FoC or Not sold separately; or (for non-trade supply where the publisher does not specify RRP) refer to supplier
	VAT detail	Required only if the GBP retail price excl VAT is different from GBP retail price inc VAT – i.e. for mixed media items including book, and all standard-rated VAT-able items including digital products. Provide EITHER GBP retail price excl VAT OR amount of VAT included in GBP retail price inc VAT
	Price effective from (date)	Required if price provided is notified in advance
	Price effective until (date)	Required if price provided has a time limit (e.g. pre-publication)
	Price(s) in other currencies	Provide price and currency and indication of tax
Territorial market rights	<b>Statement of rights relating to UK</b>	Statement that clearly indicates the sales rights that apply to the UK market: 'Can this book be sold in the UK?'
	Retailer-exclusive details	Where the product is sold exclusively through one (or more) retailer(s), specify retailer(s)
	Statement of full international rights	Where clarification of international rights is required, a full worldwide rights statement detailing the sales rights and restrictions applying to the product for all territories/countries should be provided.
